

## **Compliance 360 Celebrates Milestone of 100,000 Active Users with Customers at 2008 Customer Conference**

*Customers Gather to Share Achievements and Best Practices, and Learn About the Latest  
Product Enhancements and Industry Initiatives from Compliance 360*

Atlanta, GA. – October 21, 2008– Compliance 360, a leading provider of Software-as-a-Service (SaaS) solutions for enterprise governance, risk management and compliance (eGRC), hosted its 2008 customer conference in Atlanta, GA October 13-15. The conference was highlighted by the announcement that there are now more than 100,000 active users of the Compliance 360 eGRC system. This represents growth in active users of more than 50 percent during the past 12 months, driven by new sales and expanded use by highly successful customers as they identify additional opportunities to address regulatory compliance and risk management challenges.

During the conference, Compliance 360 customers presented their best practice examples and shared their successes achieved in terms of proactive compliance visibility, streamlined accreditations, audits and regulatory reviews, and reduced risk of sanctions. Customers attended industry-specific roundtable discussions and training sessions designed to promote optimal use of key areas of the solution including the management of policies and procedures, internal audits, incident tracking and remediation and enterprise risk management. The conference was also highlighted by the customer award ceremony. During the ceremony, Compliance 360 customers were honored for their outstanding achievements and business benefits realized with the Compliance 360 GRC solutions. The award winners included:

- Centene Corporation                      Excellence in Risk Management
- IASIS Healthcare                          Excellence in Policy Management
- Excellus BlueCross BlueShield        Excellence in the Management of Fraud, Waste and Abuse
- Health Care Service Corporation      Excellence in a Broad Scale Deployment
- HealthPartners                            Excellence in Integrated Healthcare Delivery

“The success of our customer conference is a reflection of our customers’ results and their high satisfaction levels,” said Steve McGraw, president and CEO of Compliance 360. “The entire Compliance 360 team is proud to honor our

customers for their achievements and we look forward to celebrating many more customer achievements in the future. Surpassing the milestone of 100,000 active users underscores our momentum in the GRC market and the customer endorsement of Compliance 360 as they continue to expand their system deployments to address broader sets of compliance and risk management requirements. ”
