Compliance 360 Selected as One of the Top 16 Innovative Technology Companies in Georgia

Atlanta, GA. – March 2, 2007 – Compliance 360, a provider of governance, risk and compliance (GRC) management software, has been selected as one of the “Sweet 16” semifinalists for the annual Top 10 Innovative Technology companies in Georgia by the Technology Association of Georgia (TAG), the state’s leading technology organization.

The companies are part of TAG's annual search for the Top 40 most innovative companies in the state. Top 40 companies participated in a showcase at the Georgia Technology Summit, which attracted some 800 of the state's technology leaders.

The TAG Top 40 were chosen based on a number of criteria, including: degree of innovation; scope and financial impact of innovation; likelihood of success; and promotion of Georgia's innovative efforts nationally and internationally.

"Our congratulations to Compliance 360, Inc. for making this year's "Sweet 16" list," said Tino Mantella, president of TAG. "Nearly 100 companies applied this year, the highest in the history of the Top 40 program."

"The Atlanta business market is abundant with innovative technology companies so we are honored to be recognized as one of the leading technology companies in Georgia, says Steve McGraw, president and chief executive officer, Compliance 360, Inc. "Compliance 360 prides itself on its market-leading strategic vision and looks forward to continuing to assist companies in highly regulated industries stay abreast of evolving laws and regulations."

About TAG

The Technology Association of Georgia (TAG) is a non-profit organization whose mission is to support its members by generating opportunities for personal, professional and business growth. By forging strategic alliances, TAG serves as a primary catalyst to foster a rich environment for economic development in Georgia’s technology community. Founded in 1999 through the merger of the Business & Technology Alliance (B&TA), the Southeastern Software Association (SSA) and Women in Technology (WIT), TAG is one of the largest state technology associations in the nation. TAG is made up

of 2,800 members representing technology leaders from over 1500 Georgia-based companies, affiliated technology and business organizations. For more information on the Summit visit www.tagonline.org, email info@tagonline.org or call (404) 817-3333.
